

March 21, 2010

Dear Sir or Madam:

The Vietnamese-American Medical Association of Greater Houston (VAMA-GH) is proud to be the host to over 500 physicians, dentists and pharmacist attending the 2010 National Convention of the Vietnamese Medical Association of the USA to be held on October 22-24, 2010 at the JW Marriott Hotel in the Houston Galleria. This event is the premiere event for Vietnamese healthcare professionals in the United States. I am writing to invite you to join us in hosting this prestigious event by becoming a sponsor at the following levels: Title Sponsor (\$15,000), Underwriter (\$10,000), Sponsor (\$5000), Supporter (\$2000) and Friend (\$1000).

Established in 2007, the VAMA-GH is a 501 (c)(3) non-profit organization that comprises of more than 60 physicians of Vietnamese heritage, specializing in over 30 medical specialties and spanning over 4 decades in age. We serve as a voice for health, bringing information and reaching out to all corners of our community. Vibrant, diverse, and devoted to helping improve the health status of the Vietnamese community, we invite you to join us in this mission by supporting our efforts to host the national convention in Houston.

We believe that your support for this great event will be a prime opportunity to market your products and services to a key demographic group of physicians, dentists, and pharmacists who are leaders in the field and in their community. We anticipate that there will be attendees from all over the United States, with the majority of attendees being from Texas. Sponsorship of the convention will allow for both focused marketing locally as well as exposure to a national audience.

In addition to the sponsorship levels above, we also encourage in-kind donation of products and services for our silent auction. There will also have exhibition tables available for the 3 days of the convention for \$750.

Detailed information regarding the benefits of sponsorships is enclosed. We hope to see you at the 2010 National Convention of the Vietnamese American Medical Association of the USA.

On behalf of the planning committee of the 2010 National Convention,

Khanh T.T. Nguyen, MD

President, VAMA-Greater Houston
